

Heritage + Teachers

Teamwork for Tomorrow

The McCreary County Museum is offering free memberships to interested McCreary County teachers. Our hopes are that with easy, regular access to our publications, programs, and exhibits that we can assist local teachers with learning resources outside the classroom. The McCreary County Museum was named “Kentucky’s Outstanding Museum of the Year”, and we are working hard to uphold that title. We are doing our best to offer a wide range of resources to teachers as well as students.

**In order to participate, teachers need only to complete this simple membership application and submit it to the museum by mail (P.O. Box 452 Stearns, KY 42647) or by fax to 606-376-5332. Additional educator resources can also be found at our website: www.mccrearycountymuseum.com.*

Name: _____

Teaching at: _____
(School)

Grades/Subjects: _____

Preferred Mailing Address _____

(city)

(zip)

E-Mail: _____
